Goals / Drive / Interests

I've been a high school teacher for many years and I feel tremendous gratitude for having had the opportunity to interact with so many young adults and help them achieve their goals. My lovely wife, Pam, is a Registered Nurse at a local hospital. I have two adult children who are both in college. My oldest, Jillian, will graduate from UC Davis this coming Father's Day. ☺ I am also an avid golfer and enjoy watching my Cal Bears and SF Giants whenever possible.

HOW I CAN ADD VALUE

I am an excellent communicator and team player. I have been an effective administrator in charge of summer programs for many years. As department chair, I lead our team of math teachers through logistical challenges as well as helping us take advantage of opportunities for growth and professional development.

WHERE I'VE BEEN

**Stockton Unified School
District**
1993 - Present
HS Math Teacher / Math
Department Chair

- Courses taught include:
 - Algebra 1
 - Geometry
 - Algebra 2
 - Pre-Calculus
 - Statistics
 - Calculus
 - Financial Literacy

**Lodi Unified School
District / San Joaquin
Delta Community
College / Others**

I do have experiences with other companies, schools, etc. but the bulk of my career has been focused on my roles within Stockton Unified School District. Please feel free to ask me about these other experiences if needed.
